— ABOUT THE GROUP

Built in Iraq. Structured for the world.

Al Rabba Group develops, operates and supports businesses where real market requirements meet long-term opportunity. Energy is the Group's lead division, supported by an expanding portfolio across manufacturing, fintech, general trading and selected ventures.

Our approach combines regional market knowledge, disciplined commercial execution and credible international relationships — a clear route into opportunities connected to Iraq and the wider region.

— OUR VISION

To become one of Iraq's most trusted and diversified business groups — leading in industrial supply, energy trading and financial technology while contributing to sustainable economic growth.

— OUR MISSION

- I. Provide high-quality products and services across all business sectors.
- II. Build long-term partnerships grounded in trust, transparency and consistent delivery.
- III. Strengthen Iraq's supply chains through international production and sourcing.
- IV. Advance financial inclusion by investing in scalable technologies such as BNPL.
- V. Support merchants, industries and consumers with modern and practical solutions.

CHAIRMAN'S MESSAGE

“Al Rabba Group was built on a simple conviction: *Iraqi insight can create international value* when it is matched with disciplined execution and trusted partnerships. As we grow, our priority remains constant — to build credible businesses that contribute to Iraq and connect its potential with the wider world.”

THE CHAIRMAN
AL RABBA GROUP

— HOW WE WORK

Built on disciplined execution.

I.**Commercial discipline**

Structured decision-making, clear documentation and responsible transaction execution.

II.**Regional market knowledge**

Practical understanding of Iraq, the Arabian Gulf and selected international markets.

III.**Compliance-focused operations**

Counterparty due diligence, trade controls and responsible commercial conduct.

IV.**Long-term partnerships**

Relationships developed around reliability, transparency and shared commercial value.

BUSINESS PORTFOLIO

One group. Clearly defined roles.

01

ENERGY

Al Rabba Energy

Petroleum-product sourcing, trading and delivery coordination — the Group's lead division.

LEAD DIVISION

02

INDUSTRY

Ali Baba Global

Natural coconut-shell charcoal manufactured in Indonesia; supplying ~30% of Iraq's market since 2019.

03

MANUFACTURING

Lighter Manufacturing

A Group-owned manufacturing project planned for Baghdad, scheduled for readiness in Q1 2028.

04

COMMERCE

General Trading

International sourcing, commercial evaluation and supply coordination for each transaction's requirements.

05

FINTECH

Hasan Pay

A Group-owned fintech venture bringing flexible payment options to Iraqi consumers and merchants.

06

PROMOTIONAL TECH

Millionaire

A nationwide promotional-draw venture established through Bahidh Al Khair, co-founded by the Group.

07

SPORTS & LEISURE

iPadel

A premium Dubai padel and lifestyle destination, with the Group participating as a shareholder.

Diversified
by design.

AL-RABBA.COM

LEADERSHIP

Direction at Group level. Expertise where it matters.
